

# Keith Needham

## Memorial Scholarship

The Keith Needham Memorial Scholarship is for students interested in pursuing a diploma or other certification training from a vocational or trade school. An example would be a student earning certification in the welding trades. The fund will award at least one graduate upward of \$500 each year until the funds are spent.

When submitting the application, please include a **high school transcript** showing your GPA and any test scores that are available.

Return the application to the USD 344 board office **before the end of the day on April 15<sup>th</sup>**.
