Young Entrepreneurs Scholarship

Application deadline: March 1, 2019

Supporting tomorrow's young entrepreneurs

As an entrepreneurial firm, we appreciate the trials, challenges and rewards we experienced in building our business from the ground up.

In recognition of that process and to encourage the next generation of curious, persistent and passionate entrepreneurs, we are proud to offer our Tortoise Young Entrepreneurs Scholarship Program.

The program is designed to give deserving students a leg up in their academic endeavors. In turn, we hope their educational experience will help these students develop an entrepreneurial mindset that in the future allows them to conceive or support firms that create innovative products, processes and solutions.

We will award three, non-renewable scholarships annually.

First Place: \$3,000

Second Place: \$2,000

Third Place: \$1,000

To be eligible, applicants must:

- Be a permanent resident of the United States who is enrolled or plans to enroll in a full-time undergraduate course of study towards a bachelor's degree, and;
- Have a recommended minimum 3.3 grade-point average (on a 4.0 scale or equivalent) and minimum ACT score of 24 or SAT score of 1680 (includes writing section).

Applicants will be judged on demonstrated entrepreneurial success/accomplishments, academic record, extracurricular activity and anticipated future potential.
